Hi Maggie. I looked at the draft bill (dated: 8-18-2006), too. If this is the bill that you and I and Ron were discussing a few weeks ago, for the first year's (June 2005 to June 2006) oversight costs on OAZ Superfund Site UAO #V-W-05-C-819, then Ron is correct. The only costs to be reflected are as stated below, plus (from ORC--2.0 hrs. for Connie Puchalski, which is 1/2 of her FY 2005/PP 19 time; and from EPA/HQ--12.50 hrs. for Douglas P. Dixon, for FY2005/PP 17-19, and 21).

That is all that should be reflected in the oversight costs bill to be sent to: XTRA Intermodal, Inc, c/o: Michael Steinberg, Esq., Morgan, Lewis and Bockius, LLP., 111 Pennsylvania Avenue, NW, Washington, DC 20004.

If you have any questions, please contact me by LAN or at 6-6613. Thanks. -Tom Turner

Maggie, this bill is to recover costs related to the 6/6/05 XTRA Intermodal UAO. Therefore, please change the inside address and greeting of the cover letter to the following:

XTRA Intermodal, Inc.  
c/o Michael W. Steinberg, Esq.  
Morgan, Lewis & Bockius LLP  
1111 Pennsylvania Avenue, N.W.  
Washington, D.C. 20004

Dear Mr. Steinberg:

Also, please review my 7/12/06 and 2/28/06 e-mails to you, as well as Tom Turner's 2/28/06 e-mail to you. Only 1 hour of my time, 23 hours of Tom's time, and 0.5 hours of Doug Dixon's time should be charged to this bill. No other charges should be shown.

Tom, please let Maggie and me know if any other changes are required. Thanks.

Maggie, please send Tom and me a revised bill that includes the changes above. Thanks.
